Continuation of Box 3:

1. The after-final amendment received on 09/12/08 is not entered into consideration, because newly added claims 59-61 requires further search **and/or** consideration. Additionally, the after-final amendment is presented with newly added claims 59-61 without cancelling a corresponding number of finally rejected claims.

Continuation of Box 11

2. Applicant's response is not found persuasive because it relies on an amendment that is not entered into consideration.
